WELCOME TO STAHS!

We are very proud of our warm and vibrant community of ambitious young people, caring and talented staff and supportive alumni and parents.

St Albans High School (we call it STAHS) is one of the country's leading independent schools, offering a rich and diverse education to 1,150 pupils between the ages of four and 18. We are selective at all points of intake, and we are consistently ranked among the best independent schools in the UK.

Renowned for both exceptional academic provision and extensive co-curricular opportunities, STAHS pupils leave school as happy, confident and well-rounded young people ready to make their mark on the world.

STAHS has two sites, a few miles apart: the Prep School in leafy Wheathampstead and the Senior School in the historic city of St Albans, just 25 minutes from King's Cross/London St Pancras. STAHS is proud to be a truly 'through school', with the majority of Year 6 pupils joining the Senior School for Year 7 and beyond.

Our Senior School of around 830 pupils from Year 7 to Year 13 has a visible and audible buzz, bustling with difference; difference of opinions, difference of ambitions and difference of interests.

It is my privilege to lead a team of outstanding colleagues devoted to preparing the young people in our care to live lives of consequence, making a meaningful impact on the world. We work together in a warm and grounded spirit that is uniquely 'STAHS'. Please do see the Head's Welcome on our website to find out why STAHS is such a special place.

THE SCHOOL

STAHs opened in 1889 in a converted hospital on Holywell Hill, St Albans, one of many similar schools which were being established towards the end of the 19th century. We transferred to our current site on Townsend Avenue in the heart of the city in 1908, with the Prep School subsequently moving to the village of Wheathampstead in 2003. STAHs has close links with the diocese of St Albans through the Bishop and the Dean, the latter being an ex-officio governor of the School. We are affiliated to the Church of England, and we warmly welcome pupils and staff of all faiths or none.

At STAHs we are always thinking beyond; that's why everything we do is geared towards preparing our pupils for their next steps. We call this our Teach to 25 philosophy. Our vision is for each child to become a happy, resilient young person who embraces opportunities. It's how pupils at STAHs are prepared to live lives of consequence.

From our character education programme which starts in Reception, to our super-curriculum that stretches pupils beyond the limits of exam specifications, to our formal two-year leadership programme for Sixth Formers, Teach to 25 runs through every aspect of a STAHs education. We equip pupils with the skills, independence and knowledge needed to navigate their path in the critical early years of adult life. Our staff are the beating heart of the School, and deliver our Teach to 25 strategy through the intellectually challenging and engaging lessons and co-curricular and super-curricular opportunities they lead.

The School roll is very healthy, with most year groups at or near capacity. We are always developing our facilities to ensure that we provide an inspiring and welcoming learning environment for our entire community. Since 2020, we have opened our stunning state-of-the-art Sixth Form Centre, modern Dining Hall, new classrooms at Prep and Senior, a new Prep IT suite, a beautifully refurbished Prep Library, a Wellbeing Centre and all-weather Astro pitch and made extensive developments to our outdoor spaces at Prep.

We have ambitious plans for further development of our facilities over the next decade to provide an even more inspiring and welcoming learning environment.

As a member of staff, you will be encouraged to develop your skills and experience through our extensive professional development programme, which includes opportunities to engage in school exchanges, action research, academic partnership with local and regional schools and institutions and a variety of outreach programmes. You will be a member of a friendly and welcoming school community, and benefit from employment at a school that prioritises staff welfare.
