# School Driver Day Pupil Transport

To start in post from 26<sup>th</sup> August 2026

## Introduction

We are seeking a driver for our Day Pupil transport service. This post offers 22 hours a week term-time only and is split over six days per week. A standard working week would be Mon-Fri 0600-0800/1900-2100 and 0600-0800 on a Saturday. Routes and time may vary.

This post would suit someone as secondary employment or a retired individual looking for extra income.

The ideal candidate will already have a DI qualification and a full clean driving license. Previous experience driving 17-seater minibuses is preferred but not essential.

As well as general driving duties, you will be expected to perform basic administration and fault reporting for your vehicle and comply with all relevant legislation.

## The School

Strathallan School is a leading co-educational boarding and day school with an outstanding reputation academically in sports and the arts. Our pupils are aged 5-18 and divided between Strathallan Prep School and Strathallan Senior School. There are three senior Girls' Houses and the four senior Boys' Houses, and a junior boarding house.

The School is situated in the beautiful Earn Valley as a self-contained wooded estate of 153 acres on the edge of the village of Forgandenny. Perth is the nearest town, some ten minutes away by car and access to the motorways puts Edinburgh (45 mins), Glasgow (1 hr) and the Scottish Highlands within easy reach.

The School is well-resourced with a mixture of traditional and modern buildings. The Main Building, a Grade B listing, was once a large private mansion, bought by the School's founder, Harry Riley, in 1920 when he moved the School from its original 1913 location in Bridge of Allan.

The School exists to provide inclusive all-around education for its pupils in a nurturing and caring environment. Our aim is to engage pupils to be their best and prepare them for the demands of further study and future work in an increasingly diverse and global university and employment market. We do this through opportunities that inspire and challenge and expect effort and hard work from each pupil in achieving their best, based on values of respect, kindness, honesty, hard work, humility, and excellence, all underpinned by the fundamental value of love.

## Job Description
