

Teacher of Computing Science

Department: Computing Science
Working Pattern: Monday to Friday, Term Time
FTE: 0.8 FTE, 28 hours
Salary: £32,828.07 - £40,896.72 FTE
Contract Type: Part Time & Permanent
Reporting to: Head of Computing Science
Direct Reports: N/A
Location: Euclid Campus

The Role

The High School of Dundee is seeking to appoint, for May/June or August 2026, a well-qualified, enthusiastic, and effective Teacher of Computing Science. The post is a permanent 0.8FTE post. with us. This opportunity would also suit experienced teachers looking for a new challenge, as well as those who are newly qualified. An ability to teach Computing Science at certificate level is essential.

The Post

It is expected that the successful candidate will possess:

- Experience of teaching Computing Science at all levels
- An interest and willingness to teach Computing Science to our Junior Years pupils (P6 and/or P7)
- A high level of initiative, motivation and drive, including the ability to work to deadlines
- An ability to communicate well both orally and in written form, to work effectively as part of a team, and to be adaptable
- An ability to interact positively and constructively with others, including colleagues and parents
- An ability to create a motivating and nurturing learning environment and to deliver the curriculum in a way which takes account of individual pupil needs

All teaching staff at the High School of Dundee are expected to contribute to the school's co-curricular programme, including trips and visits, and to participate in whole school events and the broader life of the school.

The main features of the remit include:

- The teaching of Computing Science (including thorough planning, assessment and reporting)

- Effective preparation of pupils for internal and external examinations
- Curricular and resource development as directed by the Head of Department
- Engagement with parents and colleagues as required
- Group tutor (registration and first-line pastoral care) duties
- Involvement in the school's co-curriculum

Applicants must have:

- A high level of initiative, motivation and drive
- An ability to create a motivating learning environment and to deliver the curriculum in a way which takes account of individual pupil needs
- An ability to work to deadlines
- Competence in the use of ICT and its application to learning and teaching
- An ability to work effectively as part of a team, including being adaptable
- An ability to communicate well both orally and in written form
- An interest and willingness to help organise and deliver departmental co-curricular activities, including trips and visits to support learning

Person Specification

Candidates should have a Computing Science (or related) degree and be registered with the GTCS (General Teaching Council Scotland) or be eligible for registration.

Applicants who are newly qualified and/ or are embarking on their probationary year are welcome to apply.

The successful applicant should have drive, enthusiasm and a dynamic approach to the teaching of Computing Science. They should possess a genuine love for their subject, alongside a commitment to placing the care and welfare of pupils at the heart of their practice. A good sense of humour is also essential.

All staff, as a condition of appointment, must contribute to the co-curricular life of the school.

The Department

The Computing Science Department currently comprises the Head of Department and one part-time (0.8FTE) member of staff.

The department is committed to the Core Values of the School and to creating the very best learning experience for their pupils.

Members of the department are currently involved in a wide range of co-curricular activities: football, Computing Club, Minecraft Club, and participation in both local, national and overseas trips.

Accommodation and Resources

The Department is located in the Main Building where two large classrooms are equipped with PCs for pupil use, as well as a laptop and docking station for staff use.

The School requires all newly appointed staff to undertake a check with the Scottish Criminal Records Office in line with the Protection of Vulnerable Groups ('PVG') Scheme. Offers of employment are conditional upon satisfactory registration with the PVG Scheme.

Please note we are unable to provide sponsorship for a work visa so candidates should ensure they already have or are able to obtain the right to work in the UK before applying.

The job description is written as an indication of the nature and scope of duties and responsibilities. It is not intended as a fully descriptive or definitive list and jobholders will be expected to carry out other duties assigned which are appropriate to the role.

How your information will be used

To progress your application, for administrative purposes, High school of Dundee will record, keep and hold the personal data which you have provided in this application stored in our HR files. Your data will not be transferred to any third parties outside of High School of Dundee. If you are successful High School of Dundee will retain this data as part of your employee record which will be stored based on our [Staff Privacy Notice](#). In the event your applications is unsuccessful, we will hold the application and the data contained for three months in case of a future vacancy which we may invite you to apply for, following which we will delete it.

If you have any questions about High School of Dundee's use of data please contact us.
