

GREAT THINGS HAPPEN IN THE GREEN BLAZER

ST ALOYSIUS'  
COLLEGE

# VACANCY DIRECTOR OF HOCKEY

FULL TIME | TERM TIME

FIXED TERM TO JUNE 2028

## THE OPPORTUNITY

This is an exciting opportunity to lead and shape hockey at St Aloysius' College, a school with a growing national reputation for sporting excellence.

Hockey is a significant part of our sporting life and continues to go from strength to strength. Recent successes include national and regional titles, strong representation at district and national pathways, and a thriving programme across all year groups.

We are seeking an exceptional individual to build on this momentum - to lead, develop and inspire a high-quality, inclusive hockey programme from Primary 4 through to Sixth Year. This is a role with real scope to shape provision, influence strategy and further enhance the profile of hockey within the College and wider community.

# ABOUT THE ROLE

Working closely with the Head of PE & Sport and the wider Leadership Team, you will take responsibility for the continued development, organisation and success of hockey across the College.

## Key responsibilities include:

- Leading and developing the hockey programme across Junior and Senior School
- Designing and implementing a progressive training pathway from P4 to S6
- Organising fixtures and coordinating the annual hockey calendar
- Overseeing pre-season preparation and ongoing performance development
- Recruiting, managing and developing a team of coaches
- Supporting staff through professional development and clear programme delivery
- Promoting hockey within the school and the wider community
- Ensuring high standards of pupil welfare, behaviour, safeguarding and health & safety
- Contributing to annual development planning and reporting for the sport

You will be a visible and influential presence within the College, helping to ensure that hockey continues to thrive both in participation and performance.

# WHY ST ALOYSIUS' COLLEGE

- A leading hockey school in Scotland with a strong competitive record
- A modern £8 million sports complex with excellent training facilities
- Access to high-quality external pitches, including the National Hockey Centre at Glasgow Green
- A dynamic, forward-thinking department with a strong culture of achievement and participation
- A values-led, inclusive community rooted in Jesuit education

## WHAT YOU'LL BRING

- UKCC Level 3 coaching qualification (or equivalent)
- Experience of coaching hockey across ages 8-18
- A strong track record in playing and/or coaching at a high level
- The ability to lead, inspire and develop both pupils and staff
- Excellent organisational, communication and interpersonal skills
- A clear vision for developing hockey within a school environment
- A commitment to safeguarding, wellbeing and the wider life of the school

## THE PERSON

You will bring energy, enthusiasm and a genuine passion for developing young people through sport. You will be collaborative in your approach, confident in your leadership, and committed to creating an environment where all pupils can thrive - whether participating for enjoyment or competing at the highest level.

## MAKE YOUR MARK

This is a rare opportunity to shape the future of hockey within a dynamic and ambitious school community - building on strong foundations and taking the programme to the next level.
