Welcome From The Principal

Ewell Castle School is an award winning happy and successful co-educational independent HMC (The Heads' Conference) day school on the Surrey/London borders near Epsom, easily accessible by public transport. We are a mixed-ability through school that offers children aged 4 to 18 the benefits of a family-friendly atmosphere whilst maintaining a stimulating and rigorous academic programme. Our Sixth Formers go on to Russell Group universities, degree apprenticeships and colleges in the USA to study medicine, law, veterinary science, maths, engineering, computing, business, economics and a host of other courses. We care about the holistic needs of the individual child, and this is facilitated by small class sizes, a personalised and high-performance approach as well as an absolute commitment to wellbeing.

As a private school nestled in a historical conservation area, Ewell Castle oozes charm and character in a green and beautiful enclave. There is widespread affection for the School's family ethos and we are utterly loyal to our girls and boys, dedicated to inspiring their best performance achievement, whether in: academic success, sporting excellence or exceptional performing arts. The School's reputation for an ambitious, forward-thinking and progressive education for each pupil is well founded, as is our enviable reputation for pastoral care, creating a rounded and grounded experience for all.

Warm regards,

Silas Edmonds MA, NPQH, FRSA
Principal

School History

Established in 1926 by Proprietor and Principal, Herbert Rosslyn Budgell on the Castle site, the main building is housed in a castellated mansion which was built in 1814 in the Gothic revival style by Henry Kitchen. Originally a boys school, the Chessington Lodge site was acquired in 1953 and became Ewell Castle Junior School. In the 1980s Glyn House (the former parsonage on Church Street) was acquired as the site for the new co-ed Junior School for pupils in Years 3-6.

During the 2010s, the Junior School rebranded as Ewell Castle Prep School, the Sixth Form became co-ed in 2013 and the Senior School became co-ed in 2015 .

In September 2022 a new Sixth Form and administrative hub opened on Ewell Village High Street, increasing the number of classrooms available to an ever expanding Sixth Form in addition to Sixth Form classes at Chessington Lodge and at the Castle.

September 2024 saw the completion of the transfer of EYFS (Early Years Foundation Stage - Nursery to Year 2) from Chessington Lodge up to a single consolidated site at Glyn House on Church Street.

The School is now spread across four sites within the heart of the Ewell Village conservation area.

Staff Testimonials

School Administrator

‘I joined Ewell Castle in September as part time Reception Administrator. It was a role that enabled me to get to know many students and members of staff over the years. No two days were ever the same and there were very few dull moments! I then transferred to the Principal’s Office, which enables me to support the School in a different way, with opportunities to develop and grow. The camaraderie among the staff is great and the School is always a hive of activity. ‘

Teacher

Flexible working benefits many staff at Ewell Castle, Teachers and Operational Staff. Working three days a week has helped me balance my work life and my family commitments. I enjoy the choice offered me so that I can have control over my working patterns, which offers me peace of mind and better mental health.

Assistant Head

I joined Ewell Castle in December 2020 as a part-time Geography teacher and soon became Head of Department, working with a wonderful team of like-minded Geographers. I took on the additional responsibility of House Coordinator, organising House events and enjoying the competitive camaraderie of House Competitions among students and staff! I am now the Assistant Head:Teaching & Learning. The supportive coaching approach and opportunities for my own professional development have been pivotal in ensuring I am well-equipped for the role. Alongside this, I have a personal passion for sustainability and have loved working with students and staff to create a more sustainable and globally aware school community
