

Appointment of Early Learning Practitioner (Term-Time)

Hutchesons' Pre-School (pre-schoolers and nursery) spend half their time at the Pre-School facility in the Primary School at Kingarth Street and half at H@PP (on Haggs Road) which is a recently converted facility with a modern, airy feel. Hutchesons' at Pollok Park (H@PP) provides 10 acres of green space and woodland.

The Pre-School sites, both indoors and outdoors, offer the best play-based learning opportunities for children from 3 to 5 years old and provides a safe, secure and nurturing environment in which children flourish.

The children attend Kingarth Street and H@PP with their key person group. Hutchesons Pre-School provides a safe, secure and nurturing environment in which children flourish.

It is essential that interested candidates have an SVQ Level 3 (HNC) together with current SSSC registration as a Practitioner. A BA in Childhood Practice will be considered desirable.

Our preference would be to appoint a candidate holding Level 3 Certificate in Forest School Programme Leadership or experience in Forest School/outdoor learning.

- Making accurate and effective use of assessment reflecting the needs, interests and developmental stage of the individual child
- Using self-evaluation to identify areas for improvement.
